

FCA NEEDS
YOUR **HELP**

GET AMPED

FCA is funded through the support of donors who believe in what the ministry does for young athletes.

Would you consider being a supporter?

What is FCA?

FCA is the largest campus based sports organization in America. FCA focuses on serving local communities by equipping, empowering and encouraging people to make a difference for Christ.

The FCA Huddle provides kids a forum to connect with other athletes at their school and grow in their faith. FCA huddles discuss many of the tough challenges teens face today and equip the kids to face those challenges with a bold faith in Jesus Christ.

If you believe your local huddle has a positive effect on your son or daughter, please consider being a partner in the West Metro FCA Get AMPED Program. We are looking for 316 people to participate at \$16 per month. This support keeps the west metro FCA staff starting and leading huddles, providing leadership camps, pouring ministry into coaches, etc. Many hands make light work. Get AMPED!

TESTIMONIALS

I was influenced by my teacher, Mr. Peterson, and my brother and parents. My brother was an FCA Leader also. I also love talking with my friends about the Lord and I wanted to be in FCA to show that I am a follower of Christ and I want to be different. I joined FCA to express my relationship with Christ to other people.

FCA has impacted my friends because they learned that they can be open about Christ with each other and me

--Nick

FCA has made an impact on me because it's helped me grow in my faith and share with other high schoolers like me. Also to learn about Christ outside of Church.
